# Welcome to Beacon Hill Club

## Prospective Membership Information

## Our Mission

Beacon Hill is an authentic family-oriented club situated on historical grounds. Founded by friends looking to create a neighborhood athletic and social club, Beacon Hill is an escape for families to enjoy the four seasons of the year and inspire healthier and happier moments. At Beacon Hill, you will build lifelong connections and lasting memories. Excellent, personalized service across all areas of the club blended with state-of-the-art amenities in a strikingly serene setting combine to make BHC your favorite family destination.

### What sets us apart?

Beacon Hill Club is open year-round with vibrant indoor and outdoor activities. We offer sports programming, dining and social events for the whole family, throughout the year.

## THE FOUR SEASONS OF BHC

### We're a family

When members join the Beacon Hill Club, they are welcomed into an authentic community that is friendly, open, and inviting, where life-long friendships are made.

### We're your second home

Our members are encouraged to stop by the club whenever they want. BHC is their home away from home where members and their guests are welcome!

## BRINGING FAMILIES TOGETHER

**In 1911**, the mansion that is now the center of Beacon Hill Club life was built as the home of prominent Summit residents, Carroll Phillips and Margaret Kinney Bassett, and their family. In 1955, the beautiful Bassett property was rescued from developers by a group of local families, and transformed into a private neighborhood club where those families and their friends could gather to dine, socialize, stay active, and participate in casual competition.

**Today**, Beacon Hill Club offers families a genuinely unique, year-round club experience. Members can enjoy a meal with family and friends, play tennis, paddle or hockey, skate on our secluded open-air ice rink surrounded by ancient oaks and maples, or cool off with a dip in the pool. They enjoy both indoor and terrace dining in the Main Clubhouse, and more casual dining at the Carriage House during skating season, and in the summer on the pool terrace.

# ICE

**Creating Memories** The private ice rink at Beacon Hill Club is one of only a few open-air rinks in the state, and it is certainly the most striking. Its quietly beautiful surroundings create an unparalleled skating experience. The rink features outdoor lighting for an evening of skating under the stars, and on a Friday night, members can be found cheering on our BHC Hockey teams.

**The BHC Hockey** program is open to all, and includes a combination of instructional practices and competitive games at all skill levels. The BHC hockey program is one of the most highly sought-after in the area.

**Beacon Blades** is a members-only skating club for children interested in improving their figure-skating skills. The highlight of the Blades season is the annual season-closing Blades Recital.

**Learn-to-Skate** is a beginner ice skating package for 4- to 6-year-olds who will learn basic skills. Lessons for members, both young and old, are available for fine-tuning skill sets.

# RACQUETS

**The Racquets philosophy** is to provide a personalized learning, social and competitive racquets experience, that exceeds members' expectations, across all ages.

**The tennis season** runs from April through September and showcases eight professionally-maintained Har-Tru® Courts surrounded by decorative stone terraces and gardens. Beacon Hill Club offers competitive inter-club league teams for women, men and juniors. Lessons are offered for children aged 3 - 17, as well as adults of all levels.

**During the colder months**, members migrate to the four heated and lighted Platform Tennis Courts and state-of-the-art warming hut, where members can watch the court action while they enjoy a drink in front of the fire. Members can choose to compete in weekly practices and league matches, or opt for weekly intracub paddle clinics.

The kiddie pool is the place for little ones to gain a comfort level in the water, and for parents to watch from the surrounding deck lined with lounge chairs.

**Members enjoy cocktails** and light fare on the pool terrace for lunch or an early dinner, featuring live music on select evenings.

**Throughout the summer**, we offer private swim instruction, taught by our own swim coaches, for any member interested in improving their skills.

**The Beacon Hill Swim Team** competes in the Tri-County Aquatic Association (the "TCAA") swim conference. BHC Swim Team consists of two teams, Lengths & Widths, and is open to all our young members who want to participate.

Each group's programming is carefully planned by our dedicated and trained camp directors and counsellors to deliver both an enjoyable and valuable experience for your child. Our campers form lasting friendships, develop skills, and leave with fond memories at the end of each session.

**Children's events** are much anticipated by our younger members who range in age from preschool to high school. We host children's events throughout the year, as well as Friday Float Nights at the pool, Friday Night Ice on the rink, and Friday Night Lights at the courts.
